

Our School is kicking off American Heart Association's Kids Heart Challenge (formerly known as Jump or Hoops for Heart.) We will be challenging your children to keep their hearts healthy while helping those with sick hearts! This year we can receive \$500 in PE equipment if your child registers online or on the Kids Heart Challenge app and takes the health challenge and they'll receive a glow in the dark wristband just for registering! In addition to all our fun activities all children who raise a minimum of \$50 will be invited to Rock n Jump for a Heart Hero celebration on April 4th. So please help us to get healthy and save lives!!!

1. Go to www.heart.org/kidsheartchallenge.
2. Search for our school and select it.
3. Choose Option 1- Yes! You participated last year.

This year, all your Heart Heroes will come to life! Make sure to take a few seconds to download the FREE Mobile app for [iPhone](#) or [Android](#) by searching for Kids Heart Challenge and see your heroes come to life, take selfies with your heroes and fundraise on the go.

Thank you so much for supporting our school and the American Heart Association. You are making a big difference in the fight against heart disease and stroke by supporting families just like [Finn's](#).
